Blast Class

at the 52nd Annual Jubilee

Sunday, 12 October 2008
10am-5pm
Santa Clara County Fairgrounds
344 Tully Road, San Jose

Instructor: Bob Elling

What is a "blast" class?

Most people learn the calls of modern square dancing by taking a weekly class. This is a very fast class that teaches you the basics of modern square dancing in just one day. It's not right for everybody, but for people who learn quickly and are able to devote a whole day to it, this class can be a very convenient and fun alternative!

Who is this class good for?

- Teenagers who tend learn quickly.
- Beginners of any age who find it difficult to fit a weekly class into their schedules -- as long as they are able to learn fast!
- People who square danced before but have been away for a while and could use a quick review of the basics.
- People who attend our Intro to Square Dancing on Friday evening and can't wait to learn more!
- Come with family or friends or come by yourself -- you do not need to come with a partner.

What will I be able to do after taking this class?

This class covers the material that would typically be covered during the first 8-10 weeks of a regular square dance class. After completing this class, you will be able to:

- Attend the Sunday evening closing dance of the Jubilee, our annual square dance festival. (This will be a "multi-level" dance, with some dancing for beginners along with dancing for more experienced dancers.)
- Dance in the "newer dancer" sessions at other major festivals like Harvest Hoedown in Yuba City.
- Join any of the regular weekly classes that started in September or October.
- Attend a follow-on blast class to learn the rest of the Mainstream calls.

The class will meet all day, from **10am to 5pm**, with two breaks. A food vendor will be located on-site for you to buy lunch or a snack. No special clothing is required, but please wear comfortable shoes. Cost for the class is \$10/person. Parking is free for students taking this class -- enter through **Gate B** from Tully Road.

For more information about this class, write to: jubilee@scvsda.org or call 408-774-1570.
